IOSCM Level 7 Supply Chain Management

Elite Executive Training for Supply Chain Leaders in the GCC Region

Made with GAMMA

Learners Education
Learn. Achieve. Succeed.

About The Learners Group

Founded in the UAE in 2017, The Learners Group across its multiple institutions delivers accredited executive and professional programmes across the GCC and wider MENA region. Partnering with ranked business schools and regulated awarding bodies, we provide more than 120 Diplomas, Bachelor's, Master's, Doctorate, and specialist certification pathways.

Our modular structure allows professionals to stack learning blocks toward full degrees without pausing their careers. Each curriculum is built around regional growth priorities: energy, logistics, digital transformation, and sustainable development. Alumni drawn from 65 nationalities—4,800 and counting—now lead supply chains, projects, and business units throughout the region.

Our Mission

Deliver rigorous, employer-aligned education that converts ambition into measurable leadership impact. We specialize in providing supply chain professionals with elite-level qualifications recognized globally by leading organizations.
