Knights College BSc Business Management

Transform your career with a flexible, European-accredited Bachelor of Science designed for working professionals in the GCC and MENA region.

Made with GAMMA

About The Learners Group

Founded in the UAE in 2017, The Learners Group delivers accredited executive and professional programmes across the GCC and wider MENA region. Partnering with ranked business schools and regulated awarding bodies, we provide more than 120 Diplomas, Bachelor's, Master's, Doctorate, and specialist certification pathways.

Our modular structure allows professionals to stack learning blocks toward full degrees without pausing their careers. Each curriculum is built around regional growth priorities: energy, logistics, digital transformation, and sustainable development.
