Global Recognition & Accreditations

MUST Accreditations

AACSB Alliance Member

Premier business education accreditation, signifying a commitment to global quality standards for business schools. This membership ensures our programs meet rigorous criteria for excellence in teaching, research, and curriculum development.

EQUIS Accredited

Awarded by the EFMD Quality Improvement System, EQUIS accreditation is an international benchmark for business schools, validating our high-quality academic programs, internationalization, and strong corporate connections.

STARS Rating

Achieved a 5-star rating for excellence in higher education, reflecting our outstanding performance across various metrics including teaching quality, graduate employability, facilities, and social responsibility.

MIT Heritage

Drawing from a rich legacy and academic partnership with the world-renowned Massachusetts Institute of Technology (MIT), our institution integrates innovative pedagogical approaches and a commitment to research excellence.

Ministry Recognition

Officially recognized and accredited by the Ministries of Education in both Malaysia and Oman, ensuring our degrees are nationally and internationally accepted and highly valued.

ISCEA Member

Proud member of the International Supply Chain Education Alliance (ISCEA), providing our students with access to global certifications, industry insights, and professional networking opportunities in supply chain management.
