About The Learners Group

Learners Education
Learn. Achieve. Succeed.

Founded in 2017, Learners University College (LUC) is a licensed higher education institution dedicated to providing world-class executive education across the GCC region. In collaboration with Business Schools and Awarding Organizations, LUC offers over 40 internationally recognized programs including Diplomas, Bachelor's, Master's, and Doctorate programs.

Our modular structure allows professionals to enhance their qualifications and advance their careers without pausing their work commitments. We serve diverse learner profiles across the GCC region, providing accessible, industry-aligned education that bridges theory and practice.
