Swiss School of Management Bachelor of Business Administration

Empowering the next generation of business leaders across the GCC region through world-class European education and industry-focused learning

Made with GAMMA

About The Learners Group

Founded in the UAE in 2017, The Learners Group delivers accredited executive and professional programs across the GCC and wider MENA region. Partnering with ranked business schools and regulated awarding bodies, we provide more than 120 pathways spanning Diplomas, Bachelor's, Master's, Doctorate, and specialist certifications.

Our modular structure allows professionals and students to stack learning blocks toward full degrees without pausing their careers. Each curriculum is built around regional growth priorities: energy, logistics, digital transformation, and sustainable development.
