4-Step Application Process

Inquiry & Specialization Selection

Contact Learners Education admissions team. Discuss MBA specialization options (10+ tracks available). Assess program fit and career goals. Confirm preferred specialization.

Application Submission

Complete detailed application form. Provide personal and professional information. Submit academic transcripts and certificates (Bachelor's degree proof). Provide professional resume/CV with work experience.

Document Verification & Interview

Verify submitted documents for completeness. Verification of academic credentials. Initial consultation to discuss program fit. Confirmation of eligibility and acceptance.

Enrollment & Onboarding

Complete enrollment formalities. Register in Learning Management System (LMS). Receive welcome package and course materials. Meet your mentor and cohort. Begin 12-month MBA journey.

Processing Timeline: Application to Admission: 1-2 weeks | Program Duration: 12 months | Total career transformation: 12-14 months
